

# Welcome to Guest Room Arun Ishigaki

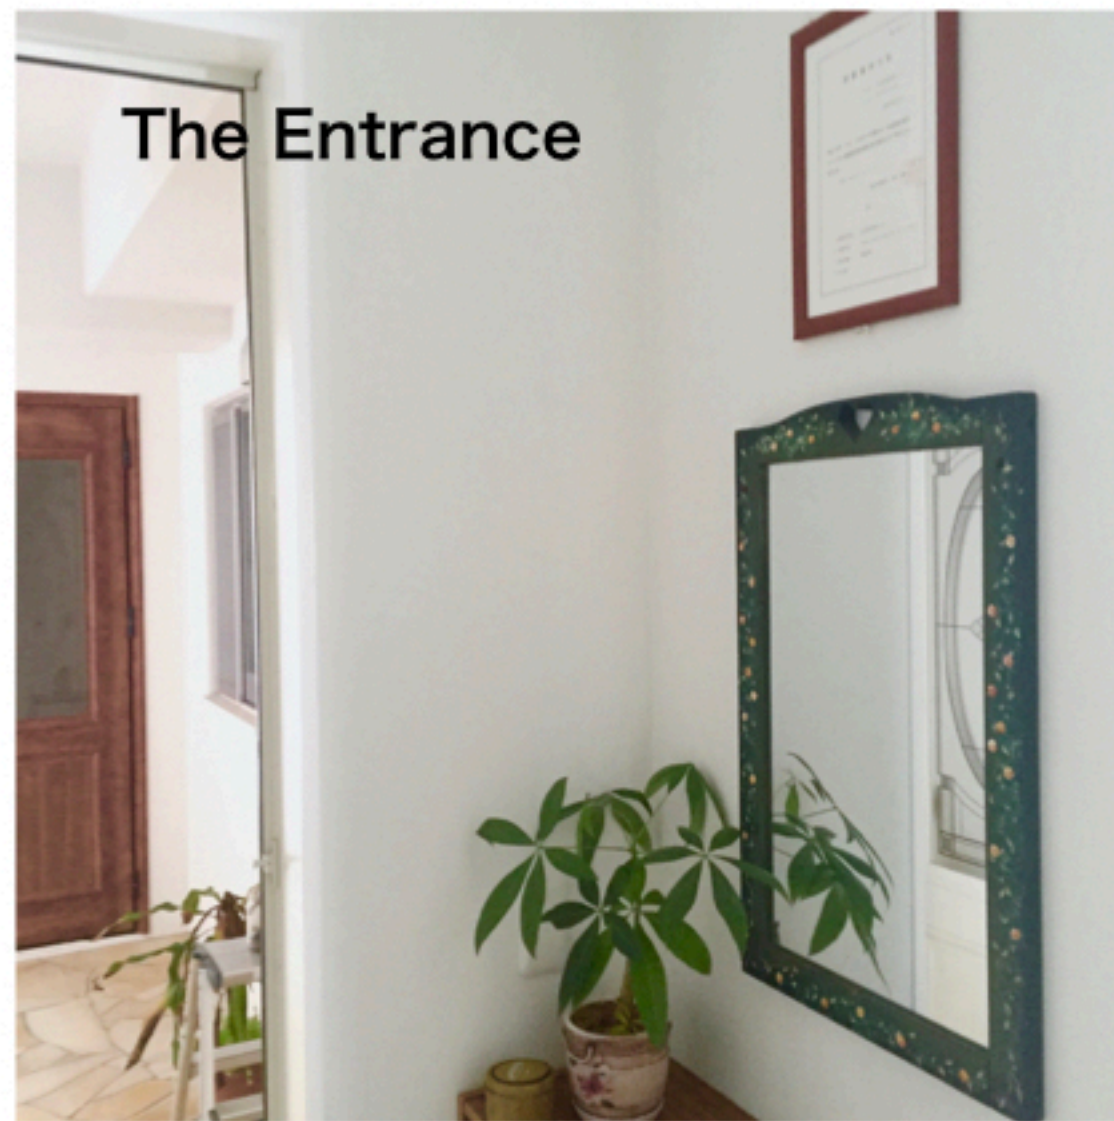

When you successfully arrive at the right place, you will see a 3-story building with white outer wall and a sign board attached to the wall.

**The Entrance Door**

**The Entrance**

**Take off shoes here**

# How to sort out and dispose the garbage

You may find necessary information on how to sort out and dispose garbage correctly from our website.

The address of the website will be sent to our guests by Airbnb message later.

The room key and the controller of the air conditioner are placed on the table in the room.

The TV is placed on the corner by the bed and its controller is on a drawer.

A closet is placed on the corner of the room. Extra blankets and towels are inside the closet.

The SSID and the password of Free Wifi in the room is back of the router on the cupboard.

The cupboard and a refrigerator are placed by the window.

Showe Room

Hair Dryer

Washing and Powder Room

Please switch on a button of a controller on the wall before you use hot water.

# Laundry Machine

- A laundry machine is placed outside the room on the balcony.
- It operates automatically when you press **START button** on the top.

## INSTRUCTIONS how to use

1. Open the lid of the machine.
2. Put clothes and the detergent. The detergent is placed above the machine.
3. Press the turn on switch.
4. Press the start button.
